3

OPTION A

Insert the CAZAL logo (2) into the left-hand side of the base (1).

Insert the grid (3) into the right-hand side of the base (1).

Hang all 3 hooks (4) onto the front of the grid (3). These are used to display the eyewear.

Once assembled, the CAZAL display is ready to use for up to 3 pieces of eyewear.

OPTION B

Take the base (1) and gold metal bar (5).

Insert the gold metal bar (5) into the base (1).

Once assembled, the CAZAL riser is ready to use for up to 2 pieces of eyewear.
